QUEST | Building America's Best Community

GREAT COMMUNITIES ARE BUILT BY THEIR PEOPLE.

Rooted in J. Irwin Miller's 1964 vision, Quest is how Columbus is building America's Best Community - for all, by all. One Small Thing is your simple way to help make your corner of Columbus brighter, kinder, or stronger.

- Share produce from your garden.
- Invite a neighbor to attend a community event with you.
- Volunteer with Book Buddies and help elementary students practice reading.
- Make an introduction to connect a student or adult learner with someone in your field.
- Organize a walking group.
- Check on an elderly neighbor once a week.
- Post a 5-star review to a local business.
